The fabrics inside are all 100% organic and the small windows on the side of the building are made of recycled glass. The temple is a gift from Equalia to its people, we will not allow any tourists inside. We want to give everyone the chance to meditate in harmony. Outside is a beautiful garden full of flowers and exotic plants that may also help you to find inner peace, love and happiness.

The official opening will take place on the 28th of November. Some lucky inhabitants will be randomly picked to attend the opening ceremony. From the 1st of December everyone is welcome to visit the temple.
